Subject: concerning submission of necessary documents with clarification

Dear Sir,

As a part of its re-accreditation process, MDC has submitted its Self-Study Report [SSR], and also submitted the progress details as suggested by the Peer Review Team. After reviewing the SSR and the progress report, EQAAC had suggested for providing additional clarification on land ownership, plan for financial sustainability, human resource development plan and research action plan. Addressing those suggestions, we have revised the necessary documents and, hereby, submitted them to EQAAC.
